Personal Portfolio: <https://cal.revillaconsulting.com/>

I am seeking a job to gain experience in multimedia, animation, video editing, or writing. I also have a passion for drawing and character illustration.

I have lots of experience with video editing work and database management, I'm also familiar with operating a camera for events such as graduations and conferences with a multimedia team and managing online Zoom conferences.

Work Experience

School Internship

Malayan Colleges Laguna – Cabuyao

March 2019 to May 2019

It was a project-based school called "On the Job Training" (OJT)

We were given specific tasks every 2 weeks such as Infographics, making an animated version of the infographic, informative eco-friendly short animations, and school policy animations.

Student Assistant

University of the Philippines Open University – Los Banos

July 2022 to December 2023

I assist in various work in the Multimedia Center or EMP office such as video production, video shooting for events and meetings, video editing, database or network organizing and management, recording and uploading website posts, general website management, video conference moderation and database management.

Education

Senior High school or equivalent in Multi-Media Arts, Animation

Malayan Colleges Laguna - Cabuyao

August 2016 to 2018

College or equivalent in Animation Basics, Principles, and History

iACADEMY - Makati

Awards

Best at "Computer" (School Subject)

March 2015

Received the award on my 9th grade/ 3rd year high school for topping my grades in programming (Visual Basic) and game dev (Kodu) over the whole 3rd year classes when I was attending "South Hill School Incorporated"

Certifications and Licenses

Driver's License

Since May 2019

I went to the "Southern Tagalog" driving school for a "10 days driving training" with a professional driver.

I can drive naturally and cautiously at speed limit on the highway, and I genuinely take road laws to heart.

Leadership 113 Certificate of Graduation

October 2021 to September 2022

Leadership 113 is 10-month course designed to help leaders be more effective in their ministry roles in the area of Leadership, Discipleship, Biblical Studies, Evangelism and Christian Living.
